

Stronger Than You Know

You're holding me close, maybe a little too close

You're closing me in, but I want out

I need to dip my toe into these unknown waters

I'm trying to show you need to let me go

I'm in a prison time to give up the key

I need to get out and see the sun

There's just a glimmer coming through that window

I can almost taste in on my tongue

I know this is hard, but I gotta get away

Don't know where I'm going but I just can't stay

So kiss me goodbye and I'll be on my way

Here I go...

I am STRONGER THAN YOU KNOW

And you don't know how much I've grown

No I won't sink, no I won't drown, I'll pick myself up off the ground

I am STRONGER THAN YOU KNOW

You knew me when I was small and young and afraid

But I am not the same girl now

Need to learn my lessons, need to make mistakes

I can't get up before I'm down

I know this is hard, but I gotta get away

Don't know where I'm going but I just can't stay

So kiss me goodbye and I'll be on my way

Here I go...

(Chorus)

And I'm not saying things will be easy

All I know is I gotta try

So let me go, I need to take my chances

Cause everyone deserves a chance to fly

(Chorus)
