

Michelangelo

Picture perfect from any angle
I'd look at you all day
When you say hi, my words get tangled
I don't know what to say

You are flawless, can't even handle
The way you say my name
Burning brighter, my love's a candle
And everlasting flame

Nerves take over, knees get weak, I'm floating to the sky
Will my feet be on the ground for long enough to say

**You must be made by Michelangelo
'cause you're a work of art
Yes only Michelangelo
Could crack my armored heart
I've seen the Mona Lisa
And the Sistine Chapel too
I've seen the portraits of the gods, they don't compare to you**

You're a saint, you can do no wrong
Although it sounds cliché
Like a painting hung on my wall
Your colors never fade

Nerves take over, knees get weak, I'm floating to the sky
Will my feet be on the ground for long enough to say

**You must be made by Michelangelo
'cause you're a work of art
Yes only Michelangelo
Could crack my armored heart
I've seen the Mona Lisa
And the Sistine Chapel too
I've seen the portraits of the gods, they don't compare to you**

If you don't want me you won't be happy
I've found your fatal flaw
'cause you'll be happy by yourself
when we're all dead and gone

You must be made by Michelangelo
'cause you're a work of art
Yes only Michelangelo
Could crack my armored heart
I've seen the Mona Lisa
And the Sistine Chapel too
I've seen the portraits of the gods, they don't compare to you

It's unhealthy
My obsession
So enthralled by your perfection
