

## Forever

I take your love so humbly  
'Cause I know you could have any fish in the sea  
I been blessed since day one, but you might just be  
The best thing that's happened to me

I'm amazed by your love, all the time  
Cause I still can't believe you're finally mine  
I was dreamin' and waitin', I was on my knees prayin'  
That someone just for me would come along

But I found an angel in you  
How do you take me to a place out of this world?  
Yes I found a saint in your soul  
Having you in my life is a miracle

### **Chorus:**

**Don't have to worry  
I'm here whenever  
You're my forever**

**Don't have to rush 'cause  
We'll be together  
You're my forever**

We don't need a lot of money  
We'll make it work as we go  
We don't need a big house  
Just a little room to grow  
Oh I don't know what's coming next  
Or where our paths will lead  
But I'd go anywhere in the universe, if you're holding me

Tell me what did I do  
To deserve your love?  
Will the rest of my life  
Be cursed with bad luck?  
Well I'll take on the storms

The wind and the rain  
It's worth it just to know that you are mine everyday

**Chorus**

You're my forever, you're my forever, you're my forever
